## Children's Welfare

It is the responsibility of the parents/carers to provide the following items for your child. For babies clearly labelled bottles, and a sufficient change of nappies. Failure to provide nappies may result in you being charged for ones provided by the nursery. If necessary clearly labelled barrier/nappy rash cream should be provided and a permission slip signed to enable 'Bright Stars' to apply it as per parent wishes.

Parents and carers should be aware that the nursery has a duty to take reasonable action to ensure the welfare and safety of the children in its care. In cases where the staff have a cause to be concerned that a child in their care may be subject to ill treatment, neglect or other forms of abuse, a senior member of staff will follow the Child Protection/Safeguarding Children policy and may inform social services of their concerns.

We will only release children to parents/guardians or provide information to authorised persons stated on enrolment forms unless we have been given permission from the 'main' parent/carer and that person is in possession of the correct password. The person with legal responsibility for: (child's name) \_\_\_\_\_

is \_\_\_\_\_ (print and sign)

## Out of Hours Care

Bright Stars understands that staff outside normal working hours may undertake childcare for clients of 'Bright Stars' if this involves transport of the child 'Bright Stars' would bring to your attention that this is a purely private arrangement and 'Bright Stars' will not accept responsibility for the child out of hours and away from the setting.

## Policies and Procedures

All company policies and procedures will be on display in reception areas. Please help yourself if you would like a copy. I can confirm that I accept the terms and conditions of the setting and have read the fees policy.

## Dated: \_\_\_\_\_

## Notice

One months written notification is required should you wish to terminate this agreement, change or cancel any sessions.

## Holidays

**Children that are not receiving Early Years Funding will only be charged for 50 weeks of the year. The other two weeks are: one week we are closed for Christmas and one week free that is equivalent to two weeks at half fees when your child is on holiday.**

For absence above this level fees are charged in full.

The term after a child's third birthday they are entitled to 570 hours of Universal Early Years Entitlement per year. Early years funding is only paid for 38 weeks of the year, however Bright Stars is a setting that is open all year therefore all invoices will be shown over 52 weeks this is to comply with the entitlement that is split evenly throughout the year. (i.e. no discount for holidays). To claim the EYE funding the following information is needed:

- Birth certificate, passport (on registration, a copy needs to be sent to EYE funding team)

EYE funding parent declaration form - completed every term by parents these will be issued by Bright Stars. It is the parents'/carers responsibility to provide this documentation, if child's legal documentation is not produced then parents/carers will be charged the settings normal fees as they will be unable to claim EYE funding. Funded hours are between 8.30-5.30, therefore 8.00-8.30, and 5.30-6.00 will be charged at an hourly rate. All fees charged relate to hours or addition charges identified overleaf that are not funded by the EYE funding. **Funded hours are subject to our ARS charge see blow for full details.**

## 30 hours childcare

Parent of three and four year old will need to meet the government criteria in order to be eligible for 30 hours entitlement. This can be found at [www.gov.uk/childcare-calculator](http://www.gov.uk/childcare-calculator)

once you have confirmed your eligibility please provide the setting with the eleven digit eligibility code in order for us to access your funding.

When you receive your 11 digit code you will need to bring this into Bright Stars and fill out a consent form for all of the information required for HMRC. This means a total of 1,140 hours will be spread over a maximum of 52 weeks which includes five inset days.

There is a charge for additional resources & services (ARS) per session. Our charges include (but is not limited to) snacks and drinks, breakfast, mid-morning snack, wet wipes, sun tan lotion (sessional) as required. This ARS charge will also guarantee your child's place at the nursery until he or she leaves for school.

As Bright Stars is open throughout the year, the funded hours for the whole year would be spread over 52 weeks which equals to 21.92 funded hours per week.

The 2 course lunch meal will be invoiced separately at £3.50 per lunch session. If your child's session includes lunch this is invoiced regardless of your child attending as the food is budgeted for the number of children attending on each day and the employment of a cook.
