Universal Early Years Entitlement

All children receive their Universal Early Years Entitlement in the term following their 3rd birthday(2yrs if you qualify) . At Bright Stars children receiving the Early Years Entitlement will be offered 3 sessions a week this enables you to take advantage of the 570 hours per year you are entitled to. This will be spread over 52 weeks (47.5 hours a month or 10.96 hours a week)

2 year old rate 5.10 per hour
3 Year old rate £4.85 per hour

You will be charged for Additional Resources & Services (ARS) of £2.25 per session. Our charges include (but is not limited to) snacks and drinks, breakfast, mid-morning snack, wet wipes, sun tan lotion (sessional) as required. This ARS will also guarantee your child's place at the nursery until they leave for school. The 2 course lunch meal will be invoiced separately at £3.50 per lunch sessions which is 12.30-1.30.

Additional Early Years Entitlement(30 Hours)

If eligible you will receive your 11 digit code you will need to bring this into Bright Stars, and fill out a consent form for all of the information required for us to share with HMRC. This means a total of 1,140 hours will be spread over 52 weeks which includes five inset days. As Bright Stars is open throughout the year, the funded hours for the whole year will be spread over 52 weeks which equals to 21.92 funded hours per week. If your child's session includes lunch this is invoiced regardless of your child attending as the food is budgeted for the number of children attending on each day and the employment of a cook.
