Team updates:

We have sadly had to say goodbye to Gill Burton from the Nursery room. Gill has brought so many creative ideas to the team and will be greatly missed by all.

Nicola Bunce from Baby room is now on early maternity leave. We would like to wish her a restful and relaxing time in the remaining weeks of her pregnancy. She will be returning from her maternity leave in January, and we look forward to seeing her and her little bundle of joy when he arrives.

We have welcomed back Jade Sanders and Lily Breese to the Bright Stars team. They will be supporting all rooms over the coming months. For anyone who does not know Jade or Lily, they both left us in the Summer to pursue their studies at University and now have offered to help us as bank staff, which is wonderful news.

Ingrid Szelag from the Toddler room will be leaving Bright Stars to have a period of rest and recovery. We wish her the very best for her future endeavours.

Daisie Garland has joined the Nursery room, she is excited to be a part of the team and gain some experience with our experienced team before she pursues her studies in September.

We would like to congratulate Ella Talbot on becoming the Deputy Manager to the setting. Ella has years of experience and has been a valued member of the team for many years, so we know she will be great within this role.

Covid 19:

We are pleased to say that our team are now eligible for lateral flow tests at home. We are waiting to receive them in the next week or so. Practitioners will be able to test at home and receive the result in 30 minutes. We will be able to do this twice a week, this is great news and therefor means we are making the setting even more COVID secure.

Schools:

Friday 16th April will be the day you find out where you have been allocated a place for school. You should receive an email that day, it will also give you information about the appeal process.

If your child will be going to school in September 2022, you can start looking at different schools so you can apply for a school place in January 2022.
